

# CHURCH SCHOOL SURVEY

As we prepare to move church school into the new building this fall, the Board of Discipleship Education - Children's Team would benefit from input from parents and teachers as to the structure and curriculum for children in preschool through 5<sup>th</sup> grade. Copies of the survey are available in the back of the church and in church school. Please take the time to complete this survey by March 14, 2010 to help us plan for the 2010-2011 church school year. You can also complete the survey online at SurveyMonkey.com: <http://www.surveymonkey.com/s/3RF8VS9>
